Professional Work History

1979-1981 Laconia State School and Training Center, Laconia, NH

Diagnostic hearing testing of residents, including basic comprehensive audiology and tympanometry; hearing aid fitting and related services; provided staff education on hearing and related issues.

1980-1982 Easter Seals, Laconia, NH

Diagnostic hearing testing for the residents of the non-ICF buildings at the Laconia State School and Training Center.

1981-1982 Manchester Ear, Nose and Throat Specialists, Manchester, NH

Diagnostic hearing testing for all ages, including basic comprehensive audiology and tympanometry; hearing aid fitting and related services. Worked in conjunction with three Otolaryngologists.

1982-1987 Audiology and Hearing Aid Services of New Hampshire, Laconia and Concord, NH

Diagnostic hearing testing for all ages, including basic comprehensive audiology and tympanometry; hearing aid fitting and related services. Worked in conjunction with four Otolaryngologists in the Concord Area and one in Laconia.

1987-1995 Laconia Clinic, Laconia, NH

Established the Audiology Center at the Laconia Clinic. Responsible for the day-to-day running of the center, staffing and personnel issues. Diagnostic hearing testing and tympanometry; hearing aid fitting and related services; provided educational in-services as part of the Clinic's community outreach program. Covered area nursing homes for audiological testing and hearing aid services. Worked in conjunction with all three of the Clinic's Otolaryngologists.

1988-2006 Better Hearing Center, Inc., Concord, NH

Partner and co-owner of the business. Responsible for the running of the business and personnel issues. I was responsible for the audiologists and providing diagnostic hearing testing for all ages, including basic comprehensive audiology and tympanometry; hearing aid fittings and related services.

In May of 1995, I began to work exclusively in my business when we were asked to provide audiological services for Concord's four Otolaryngologists. We also started providing ABR (Auditory Brainstem Response audiometry) and OAEs (Otoacoustic Emissions) as well as branching into digital hearing aids. Covered area nursing homes in Concord, Laconia, Franklin and Peterborough for audiological testing and hearing aid services as well as community educational programs.

2006-2007 ENT Specialists of Southern New Hampshire, Manchester, NH

Diagnostic hearing testing for all ages, including basic comprehensive audiology, tympanometry and OAEs; hearing aid fitting and related services. Worked in conjunction with three Otolaryngologists and a Physician's Assistant as part of a four audiologist team.

2007 to Present Concord Otolaryngology's Audiology and Hearing Center/Alliance Audiology, Concord, NH

Diagnostic hearing testing for all ages, including comprehensive audiology, tympanometry and OAEs; hearing aid fittings and related services. Neuromonics Tinnitus Training Center. Provide educational talks to community organizations and co-business manager of Alliance Audiology.
